

GROUP WORK FOR PREPARATION OF REGIONAL ACTION PLAN

Group work

1. Share and discuss your priorities with group members and identify common and unique priorities
2. What are the components to address these priorities? – activities.
3. How would you measure progress? What are the indicators?
4. What is the baseline for this indicator? Do you have data?
5. What is the target? By Oct 2017. But October 2018
6. Put your priorities, indicators, baseline and targets together in a common template to prepare group work plan.
7. What are the barriers in achieving these targets?
8. What help can be provided by Dairy Asia members?

Time: 45 minutes

Regional Workplan

Strategic Objective	Countries	Output	Indicator	Baseline	Targets	Reporting progress
1. Improving milk productivity and farm profitability	A					
	B					
	C					
	D					
2.	A
